The cover

The plans We have available

International travel – Single Trip Plan or Annual Multi-Trip Plan

You can choose a plan to cover:

- one Single Trip for up to 12 months; or
- for frequent travellers, an Annual Multi-Trip. The International Annual Multi-Trip plan is a great option to consider if You are planning on getting away more than once over the next 12 months. It provides annual cover for an unlimited number of trips and there is a maximum duration limit to any one trip of 60 days provided Your travel is to destinations over 250 kilometres from Your Home or, if less than that, Your trip must include at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb).

Domestic travel – Single Trip options

Choose from a comprehensive Domestic Plan or a Domestic Cancellation Plan that includes cover for Additional expenses or Amendment or cancellation costs only.

Areas of travel

International Plan – Single Trip

You will need to select an area of travel from the list available in which You will spend the most amount of time.

The Worldwide area (including the USA, South and Central America and Antarctica) is compulsory if more than 20% of Your time is spent in the Americas or Antarctica.

International Plan – Annual Multi-Trip

This provides year round cover for Your travels provided You are over 250 kilometres from Your Home. You will need to select an area from the list available which will cover all of Your Journeys throughout the year.

Domestic Plans

The Domestic travel plans are only available for travel within Australia.

Multi-night cruise travel and COVID-19

There is no cover for claims caused by COVID-19 while travelling on a multi-night cruise. See pages 29-32 for the full details of what is and isn't covered.

Featured benefits

24 hour emergency assistance: 24/7 access to an Australian team of experts with a global network of doctors, nurses and logistical staff.

Medical cover: Cover for overseas hospital, medical, surgical, nursing, ambulance expenses and emergency dental expenses. Our medical cover also assists You to find treatment and if necessary medical evacuation.

Cancellation cover: If You have to cancel or rearrange Your Journey as a result of an unforeseeable event.

Additional expenses: Cover for emergency accommodation and transport expenses if a disaster such as a volcano, tsunami, earthquake or flood disrupts Your Journey.

Rental Car insurance excess: If You hire a car and happen to have an accident, cover is included in the Inbound Plan for the Rental Car insurance excess only.

Policy inclusions and options

Excess options

When travelling internationally You can choose the excess. The higher the excess chosen, the lower the premium. The excess will be shown on Your Certificate of Insurance and only applies in the event of a claim.

When You make a claim arising from the one event, an excess (if applicable) will only be applied once.

The Domestic Plan has a standard \$50 excess.

Other excess amounts may be available.

Special excess applicable to COVID-19 claims

In addition to Your chosen excess or the excess on the Domestic plans, a special excess will apply to:

- SECTION 2: Additional expenses if You are diagnosed with COVID-19 on Your trip: International plans – \$250, Domestic – \$250, Domestic Cancellation – \$150.
- SECTION 3: Amendment or cancellation costs if You or Your travelling companion are diagnosed with COVID-19 on Your trip: International plans – \$500, Domestic – \$250, Domestic Cancellation – \$150.

If Your claim is under both sections, the higher special excess will be deducted. The special excess applies in addition to any other excess. You cannot remove this special excess.

What that means is, for example, if You chose a \$200 excess on the International plan, and claim for Additional accommodation costs and cancellation costs because You were diagnosed with COVID-19 on Your overseas trip, We would deduct an excess of \$700 in total from Your claim. (\$200 excess + \$500 special excess).

Increase Rental Car insurance excess

You can increase the level of Rental Car insurance excess cover available on Your plan by paying an additional premium. This benefit can be increased in lots by up to a further \$5,000 in \$500 steps.

Luggage item limits automatically included in Your cover

Depending on the plan You choose, We provide cover for any one item, set or pair of items (including attached and unattached accessories), up to the following limits, after taking into account reasonable depreciation. See pages 21-22 for depreciation rates and an example of how a claim is worked out.

| Golf clubs | \$1,200 | \$1,200 | \$1,000 |
| Other items | \$1,200 | \$1,200 | \$1,000 |

You can increase these limits individually

For items which are valued at more than the limits shown above, You may increase the item limit by paying an additional premium.

For a single item You may increase the limit by up to the amount shown in the table below. For multiple items the overall increase in limits cannot exceed \$15,000 on the International Single Trip or Annual Multi-Trip Plan and \$10,000 on the Domestic Plan.

Extending Your Journey

If You are travelling and wish to be insured for longer than the original period shown on Your original Certificate of Insurance, You need to purchase a new policy by calling or emailing Your travel consultant or Cover-More prior to the expiry date. It is not an extension of the previous policy. Your Certificate of Insurance will be adjusted with the new dates.

Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an Existing Medical Condition under a new policy. Therefore, it may not be covered by the new policy. Purchasing a longer duration up front may avoid this risk.
- Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.
- If You can't return Home on Your original date due to an unforeseeable circumstance outside Your control, the policy will automatically extend - See policy condition 9 Free extension of insurance on page 16 for details.

Cooling-off period

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling-off period which is within 21 days of the date of purchase, We will give You Your money back.

Our cooling-off period ensures a refund of the entire premium unless You have already made a claim under the policy or departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling-off period.

Travel and health

Do You have an Existing Medical Condition?

Claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims which in any way relate to, or are exacerbated by, an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If such cover is applied for and approved, an extra premium may apply.

What is an Existing Medical Condition?

“Existing Medical Condition” means a disease, illness, medical or dental condition or physical defect that, at the Relevant Time, meets any one of the following:

- Has required an emergency department visit, hospitalisation or day surgery procedure within the last 12 months.
- Requires:
 - prescription medication from a qualified medical practitioner;
 - regular review or check-ups;
 - ongoing medication for treatment or risk factor control; or
 - consultation with a specialist.
- Has:
 - been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer; or
 - required surgery involving the abdomen, back, brain, joints or spine that required at least an overnight stay in hospital.
- Is:
 - chronic or ongoing (whether chronic or otherwise) and medically documented;
 - under investigation;
 - pending diagnosis; or
 - pending test results.

“Relevant Time” in respect of:

- Single Trip policies means the time of issue of the policy.
- Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If You are unsure whether You have an Existing Medical Condition, please call Cover-More on 1300 728 016 for assistance.

Getting cover for Your Existing Medical Conditions

There are 3 categories of Existing Medical Conditions:

- Conditions which cannot be covered
- Conditions We automatically include
- Conditions We need to assess

Please review each of the categories to determine which category applies.

Existing Medical Conditions which cannot be covered

This policy does not provide cover for claims which in any way relate to, or are exacerbated by:

- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment or surgery during the Journey, even if Your Existing Medical Condition has been approved;
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

Medical conditions that are undiagnosed or awaiting specialist opinion

We are unable to offer cover for medical conditions You were aware of, or a person in Your circumstances reasonably should have been aware of, or arising from signs or symptoms* that You were aware of or a person in Your circumstances reasonably should have been aware of, at or before the Relevant Time, and for which at that time:

- You had not yet sought a medical opinion regarding the cause;
- You were currently under investigation to define a diagnosis; or
- You were awaiting specialist opinion.

You will still be eligible for the other benefits provided by the policy but You may not apply for cover for any Existing Medical Conditions. There will be no cover for claims which in any way relate to, or are exacerbated by, any Existing Medical Condition or any condition where the points listed above apply.

If You receive a diagnosis before You depart on Your Journey, You may be able to complete a health assessment and, if approved, add Existing Medical Condition cover to Your policy by paying Us the required premium.

*Examples of signs or symptoms include, but are not limited to, chest pain, shortness of breath, pain or discomfort in any part of Your body, persistent cough or unexplained bleeding.

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

If You need assistance, please call Cover-More on 1300 728 016 for assistance.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims which in any way relate to or are exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims which in any way relate to, or are exacerbated by, the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims which in any way relate to, or are exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;
- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries.

If You have any questions about Existing Medical Conditions, please call Cover-More on 1300 728 016 for assistance.

How to complete a health assessment

You can complete an online health assessment with Your consultant or by using a web link Your consultant can give You. You may also contact Cover-More for assistance. Please add this cover at the same time as purchasing Your policy.

- You need sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, we need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure

- Check all Existing Medical Conditions have been disclosed to Us at the Relevant Time or, at the latest, before You depart on Your Journey.

- We will provide You with Your assessment outcome and number.
- If We can approve Your health assessment, You must pay Us an extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on Your Certificate of Insurance.

Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance, or separately advised to You in writing.

Pregnancy

Our policy provides limited cover for pregnancy.

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“Relevant Time” in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote. If You have any questions about the online assessment or prefer to talk with a customer service agent, please contact Cover-More.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

Health of other people impacting Your travel (non-traveller)

This policy has cover if You need to change Your trip due to the health of a Relative or Your business partner who is not travelling. In some circumstances the maximum We will pay is \$1,000.

What is covered?

We will pay for claims arising from the sudden disabling injury, sickness or disease or death of a Relative or Your business partner who is not travelling if, at the Relevant Time, that person:

- a) in the last 12 months, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was in any way related to, or exacerbated by, the condition that gave rise to the claim;
- b) was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility);
- c) was residing independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services;
- d) was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- e) did not have a drug or alcohol addiction; and
- f) did not have a Terminal Illness.

What are the restrictions and limits?

If any point a-f cannot be met e.g. if Your non-travelling Relative was in a nursing home or did have a Terminal Illness, the maximum We will pay is \$1,000 under all sections of the policy combined.

For Your reference, **“Relative”** means a person who is Your spouse, de facto; parent, parent-in-law, stepparent, guardian; grandparent; child, foster child, grandchild; brother, brother-in-law, half-brother, stepbrother, sister, sister-in-law, half-sister, stepsister; daughter, daughter-in-law, stepdaughter, son, son-in-law, stepson; fiancé, fiancée; uncle, aunt; or niece, nephew.

What isn't covered?

No payment will be made under this policy for:

- Claims related to non-travellers who aren't a Relative or Your business partner.
- Claims where You are aware of a circumstance which is likely to give rise to a claim.
- Claims which in any way relate to circumstances You knew of, or a person in Your circumstances would have reasonably known or foreseen, at the Relevant Time, that could lead to the Journey being delayed, abandoned or cancelled.

For example:

- Jim's father was hospitalised after a serious accident. After hearing the bad news, Jim cancelled his upcoming trip and received a 50% refund.

He then bought a travel insurance policy so he could claim the rest of the money back.

When Jim bought the policy, he had already cancelled the trip so his claim would not be covered.

For example:

- Khalida's mother had been unwell for several months and was booked to have medical tests. Khalida organised a holiday and travel insurance. Unfortunately, the test results showed her mother had a serious sickness so Khalida cancelled her holiday to spend time with her mother. Because her mother was having tests after being unwell when Khalida bought her policy, her claim would not be covered as she knew at that time, or a person in her circumstances would have reasonably known or foreseen, that she may need to cancel her trip due to her mother's health.

Duty to take reasonable care not to make a misrepresentation

This is a consumer insurance contract under the Insurance Contracts Act 1984 (Cth) (Act).

Under the Act, You have a duty to take reasonable care not to make a misrepresentation to Us.

This duty applies whenever You enter into, renew, extend or vary this contract of insurance. In all cases, We will ask You questions that are relevant to Our decision to insure You and on what terms.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

When You answer the questions You must give a true and accurate account of matters. Your response should tell Us everything that You know about the question because Your response is relevant to whether We offer You insurance and the terms We offer You.

A misrepresentation made fraudulently is made in breach of the duty to take reasonable care not to make a misrepresentation.

Circumstances relevant to Your duty

Whether or not You took reasonable care not to make a misrepresentation will be determined with regard to all the relevant circumstances.

If We know, or ought to know about Your particular characteristics or circumstances, We will consider these to determine if You took reasonable care not to make a misrepresentation to Us.

We may consider the following matters to determine if You took reasonable care not to make a misrepresentation to Us:

- the type of consumer insurance contract in question, and its target market;
- explanatory material or publicity produced or authorised by Us;
- how clear, and how specific, the questions We asked were;
- how clearly We communicated to You the importance of answering those questions and the possible consequences of failing to do so;
- whether or not an agent/insurance broker was acting for You; or
- whether the contract was a new contract or was being renewed, extended, varied or reinstated.

You are not to be taken to have made a misrepresentation merely because You:

- failed to answer a question; or
- gave an obviously incomplete or irrelevant answer to a question.

Consequences if You fail to take reasonable care and do make a misrepresentation

If You do not take reasonable care when answering Our questions and the result is You do make a misrepresentation to Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to take reasonable care not to make a misrepresentation to Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

When and how benefits are provided

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person or provider to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting reasonable depreciation where applicable); or
- pay You.

The amount You pay for this insurance

You can obtain a quote from the providing entity. The amount We charge You for Your insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as GST and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance.

If You change Your policy in any way You may be entitled to a partial premium refund or be required to pay an additional amount.

How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

- Area – higher risk areas cost more.
- Departure date and trip duration – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- Age – higher risk age groups cost more.
- Plan – an International Plan, which provides more cover, costs more than a Domestic Plan.
- Excess – the higher the excess the lower the cost.
- Extra cover options (where available) – additional premium may apply.

How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- the maximum benefit limits and sub-limits;
- reasonable depreciation, where applicable; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement:

- Your new watch with an original purchase price of \$1,500 is stolen from a hotel room.
- You are travelling on the International Single Trip Plan.
- You have chosen the \$Nil excess option.
- You have not paid an additional amount to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the watch – \$1,500 (no depreciation applies because the watch was new).
- Consider the maximum benefit limit for Luggage and personal effects – \$12,000.
- Consider the maximum item limit payable for other items – \$1,200. The item limit applies in this case.

- Consider the excess. As You chose the \$Nil excess option, this results in a claim settlement of \$1,200 or We may replace the item. Our choice will have regard to the circumstances of Your claim and consider any preference You may have.

Policy wording

The benefits described in this Policy wording should be read in conjunction with Policy inclusions and options (pages 4-6), Travel and health (pages 6-10), Duty to take reasonable care not to make a misrepresentation (page 12), Words with special meaning (pages 13-15), Policy conditions (pages 15-17) and General exclusions (pages 33-34).

THIS POLICY IS NOT VALID UNLESS THE CERTIFICATE OF INSURANCE IS ISSUED TO YOU.

We will give You the insurance cover described in this policy in return for receiving the total Amount Payable.

It is a condition of this policy that:

- You are not aware of any circumstance which is likely to give rise to a claim;
- You are a resident of Australia with a valid Australian Medicare card or currently living in Australia with a visa allowing You to live, work or study in Australia and will be returning Home at the completion of the Period of Insurance; and
- If You purchase the Annual Multi-Trip policy:
 - cover will only extend to a Journey
 - to a destination more than 250 kilometres away from Your Home; or
 - that includes at least one night paid accommodation booked with an accommodation supplier or provider (including a hotel, Bed & Breakfast (B&B), serviced apartment or peer to peer service such as Airbnb); and
 - the length of each Journey cannot exceed the maximum duration shown on Your Certificate of Insurance.

Policy conditions

1. Excess

The excess is the first amount of a claim that We will not pay for. It is deducted from Your claim if it is approved by Us. The excess applies per event i.e. If You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

Claim example: You have a \$200 excess on Your policy. If You made a claim for \$2,500 under SECTION 1: Overseas medical and dental expenses (including emergency repatriation/evacuation), You already paid the expenses and We approve Your claim, We would deduct the \$200 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We may ask You to pay the \$200 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,300.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1, 2, 3, 4, 5, 6 and 11, and for Section 21 where relevant. The excess is the amount shown on Your Certificate of Insurance.

An additional or higher excess may apply in certain circumstances.

Special excess applicable to COVID-19 claims

In addition to Your chosen excess or the excess on the Domestic plans, a special excess will apply to:

- SECTION 2: Additional expenses if You are diagnosed with COVID-19 on Your trip: International plans – \$250, Domestic – \$250, Domestic Cancellation – \$150.
- SECTION 3: Amendment or cancellation costs if You or Your travelling companion are diagnosed with COVID-19 on Your trip: International plans – \$500, Domestic – \$250, Domestic Cancellation – \$150.

If Your claim is under both sections, the higher special excess will be deducted. The special excess applies in addition to any other excess. You cannot remove this special excess.

What that means is, for example, if You chose a \$200 excess on the International plan, and claim for Additional accommodation costs and cancellation costs because You were diagnosed with COVID-19 on Your overseas trip, We would deduct an excess of \$700 in total from Your claim. (\$200 excess + \$500 special excess).

2. Limits of liability

The limits of Our liability for each Section of the policy are the amounts shown in the relevant table for the plan selected (see page 3) except where We have notified You in writing of different limits.

3. Claims

- a) You must report any loss or theft of luggage, personal effects, travel documents or money to the police, the Transport Provider or accommodation provider as relevant within 7 days of You first becoming aware of the loss or theft. You should obtain a report confirming the incident to submit to Us with Your claim.
- b) You must take all reasonable steps to prevent or minimise a claim.
- c) You must not make any offer, promise of payment or admit any liability without Our consent.
- d) You must advise Us of any claim or occurrence which may give rise to a claim as soon as possible and within 60 days of the return date shown on Your Certificate of Insurance by sending a completed claim form.
- e) You must at Your own expense, supply any documents in support of Your claim which We may request, such as a police report, a Property Irregularity Report (PIR), receipts, valuations, a repair quote, a death certificate and/or medical certificate.
- f) You must co-operate fully in the assessment or investigation of Your claim.
- g) When making a claim, You are responsible for assisting Us and acting in an honest and truthful manner. If You make or try to make a false, exaggerated or fraudulent claim or use any false, exaggerated or fraudulent means in trying to make a claim, We will not pay Your claim, Your cover under this policy will be voided (without any return of the amount You have paid), We may report You to the appropriate authorities and You may be prosecuted.

- h) Where You are a registered entity on a Domestic or Domestic Cancellation Plan You may be entitled to an input tax credit for Your Amount Payable and/or for things covered by this policy. You must disclose these entitlements to Us if You make a claim under Your policy.
- i) If We agree to pay a claim under Your policy We will base any claim payment on the Goods and Services Tax (GST) inclusive costs (up to the relevant limits of liability). However, We will reduce any claim payment by any input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this policy.
- j) We will be entitled, at Our expense, to have You medically examined or, in the event of death, a post-mortem examination carried out. We will give You or Your legal representative reasonable notice of the medical examination.
- k) In some circumstances, prior to Your entry into the policy or when You apply for cover for Your Existing Medical Conditions, whichever occurs later, We may impose an extra or increased excess for claims arising from Existing Medical Conditions. We will inform You in writing if this applies: These will be set out in Your Certificate of Insurance or in a letter from Our medical assessment team.

4. If You are able to claim from a statutory fund, compensation scheme or Transport Provider

If You are able to claim from a statutory fund, compensation scheme (for example a private health fund or workers compensation scheme) or Transport Provider for monies otherwise payable under this policy You must do so and the policy will only cover the remaining amount.

5. You must help Us to make any recoveries

We have the right to recover from any other party in Your name, money payable under the policy or to choose to defend any action brought against You. You must provide reasonable assistance to Us.

6. Claims payable in Australian dollars

All amounts payable and claims are payable in Australian dollars at the rate of exchange applicable at the time the expenses were incurred.

7. Policy interpretation

The policy shall be interpreted in accordance with the law of the Australian State or Territory in which it is issued.

8. Emergency assistance

- a) Where Your claim is excluded or falls outside the policy coverage, the giving of emergency assistance will not in itself be an admission of liability.
- b) The medical standards, sanitary conditions, reliability of telephone systems and facilities for urgent medical evacuations differ from country to country. Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond Our control cannot be accepted by Our emergency assistance, Air New Zealand, Cover-More or Us.

9. Free extension of insurance

Where Your Journey is necessarily extended due to an unforeseeable circumstance outside Your control, Your Period of Insurance will be extended until You are physically able to travel Home by the quickest and most direct route. The Period of Insurance will not be extended for any other reason.

10. Special conditions, limitations, excesses and amounts payable

If You:

- a) want cover for an Existing Medical Condition or pregnancy which does not satisfy the provisions set out on pages 6-9, You will need to complete a health assessment. We will notify You of the outcome.

If We are able to approve cover for the condition(s) or pregnancy You must pay an extra premium to Us. Cover may be subject to special conditions, limitations, limits, and excesses.

- b) in the last 5 years have:

- (i) made 3 or more travel insurance claims:
- (ii) had insurance declined or cancelled or had a renewal refused or claim rejected: or
- (iii) been in prison or had any criminal conviction (other than driving offences)

cover must be separately applied for and accepted by Us, and it may be subject to special conditions, limitations, excesses and amounts payable.

We will notify You in writing of these before We issue the policy.

11. Policy conditions applying to Sections 1 and 2 only

- a) We have the option of returning You to Australia if the cost of medical and/or Additional expenses overseas are likely to exceed the cost of returning You to Australia subject always to medical advice. We also have the option of evacuating You to another country.
- b) In all cases the cost of evacuation or to bring You back to Australia will only be met if Your claim is approved by Us and it was arranged by and deemed necessary by Our emergency assistance network.
- c) If We request that You be moved to another hospital, return to Australia or be evacuated to another country and You refuse, We will only consider:
 - (i) Your costs and expenses per Sections 1 and 2 (as applicable) incurred up to the time of Our request; and
 - (ii) the lesser of:
 - an amount equivalent to the costs and expenses per Sections 1 and 2 (as applicable) that You would have incurred after Our request had You moved to another hospital, returned to Australia or been evacuated to another country as requested; or
 - Your costs and expenses actually incurred after Our request.
- d) If You are hospitalised We will pay for a share room. If a share room is not available We will pay to upgrade You to a single room.
- e) If You do not hold a return airline ticket an amount equal to the cost of an economy class one way ticket will be deducted from Your claim.

12. Automatic reinstatement of sums insured

If You purchase the Annual Multi-Trip Plan the sums insured under each Section of the policy are automatically reinstated on completion of each Journey and in respect of Section 4, also once on each Journey.

13. Policy conditions applying to Sections 15, 16 and 17 only

- a) If the conveyance You are travelling in disappears, sinks or crashes and Your body has not been found after 12 months You will be presumed to have died.
