## Policy inclusions and choices

### Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if You are a frequent traveller, rather than buying a Single Trip policy each time You travel, You may want to buy an Annual Multi-Trip policy.

With Our Annual Multi-Trip policy You can select from the available choices, a Journey duration to suit Your needs and be covered for an unlimited number of Journeys more than 250 kilometres from Home during the Period Of Insurance up to the maximum Journey duration chosen.

### Areas of travel

Where You travel will influence Your premium.

**Single Trip:** You will need to choose the main destination based on where You will spend the most time on Your Journey.

**Annual Multi-Trip:** You will need to choose the area which will cover all of Your trips for the year. If You select an international area, this also includes cover for travel more than 250 kilometres from Home.

#### Note:

- If 20% or more of any Journey will be spent in the Americas or Antarctica, You must nominate the area including these countries as the main destination.
- If You are travelling inbound to New Zealand, You can only select Inbound, Single Trip option; You must be under 70 years of age at the Relevant Time; and there is no cover for any Existing Medical Conditions other than those We automatically include.

### Choose Your excess

When travelling internationally You can choose Your excess. We currently have the below excess choices available.

The higher the excess You choose, the lower the premium.

- \$0 excess
- \$100 excess
- \$250 excess

An excess of \$50 applies to both the Domestic plan and the Domestic Cancellation plan.

Other excess amounts may be available. Your excess will be shown on Your Certificate of Insurance.

## Cancellation cover

Our Plans do not automatically include cancellation cover however, We allow You to select the amount of cancellation cover that suits You.

Select an amount from the options available at the time of applying for cover. The level of cancellation cover You choose will influence Your premium. Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy.

The level of cover You choose will be shown on Your Certificate of Insurance and will be the total amount of cover available under:

- SECTION 3: Amendment Or Cancellation Costs on a per policy basis on Travel Safe Plus International and Domestic; Travel Safe International and Inbound; and
- SECTION 2: Additional Expenses, SECTION 3: Amendment Or Cancellation Costs and SECTION 4: Travel Services Provider Insolvency combined, on a per person basis on Domestic Cancellation.

## Premium luggage cover – New for old

### Available on Travel Safe Plus International and Domestic

Where You have purchased Your luggage items new within the last 2 years (from the date of loss) and You provide a receipt, We will not deduct depreciation from those items in the event of a claim.

## Extending Your Journey

If You are travelling and wish to be insured for longer than the original period shown on Your original Certificate of Insurance, You need to purchase a new policy by calling or emailing Your travel consultant or Cover-More prior to the expiry date. It is not an extension of the previous policy. Your Certificate of Insurance will be adjusted with the new dates.

Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an Existing Medical Condition under a new policy. Therefore, it may not be covered by the new policy. Purchasing a longer duration up front may avoid this risk.
- Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.
- If You can't return Home on Your original date due to an unforeseeable circumstance outside Your control, the policy will automatically extend - See policy condition 11. Free extension of insurance on page 39 for details.

## Money back guarantee

You can cancel or change Your policy at any time before You leave Home. If You cancel this policy for any reason within the cooling off period which is within 15 working days of the date of purchase, We will give You Your money back.

Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling off period.

## Cruise Cover Add-on

### Mandatory if You are travelling on a multi-night cruise

### Available on Travel Safe Plus International, Travel Safe International and Inbound

Unless You purchase Cruise Cover add-on, claims directly or indirectly related to Your multi-night cruise, and multi-night cruise travel or that arise whilst on a multi-night cruise are specifically excluded by this policy.

## Luggage and travel documents cover

### Your belongings

When You're at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings.

If You do not take good care of Your belongings We may not be able to pay Your claim.

Not all belongings are covered by the policy.

### What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.

- Do not leave Valuables in a motor vehicle at any time. "Valuables" means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including but not limited to devices such as drones, computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.
- A maximum limit of \$2,000 applies to the sum total of all other items (i.e. not Valuables) left in a locked motor vehicle as long as they are in a Concealed Storage Compartment. Also, don't leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.

## Travel and health

### Do You have an Existing Medical Condition?

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

#### What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

#### Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

## Existing Medical Conditions

### (Of You or Your travelling companion)

Cover for claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If additional cover is applied for and approved, an extra premium may apply.

### What is an Existing Medical Condition?

“Existing Medical Condition” means a disease, illness, medical or dental condition or physical defect that at the Relevant Time meets any one of the following:

- a) has required an emergency department visit, hospitalisation or day surgery procedure within the last two years;

## Conditions to pay particular attention to

### Chronic lung conditions

If You have a chronic lung condition\*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

\*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

### What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

### Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease\*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

\*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

### **What does this mean?**

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

### **Reduced immunity**

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

### **What does this mean?**

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

### **Other Existing Medical Conditions which cannot be covered**

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

### **What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?**

We will not pay any claims directly or indirectly arising from, or exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;

- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries. If You have any questions about Existing Medical Conditions, please call Cover-More on 0800 600 725.

### **How to complete a health assessment**

You can complete a health assessment online with Your travel insurance quote. You may also call 0800 600 725 for help. Please add this cover at the same time as purchasing Your policy.

- You need sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.
- For example, we need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.
- Check all Existing Medical Conditions have been disclosed to Us at the Relevant Time or, at the latest, before You depart on Your Journey.
- We will provide You with Your assessment outcome and number.
- If We can approve Your health assessment, You must pay the required extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on Your Certificate of Insurance.

Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance, or separately advised to You in writing.

## Health of other people impacting Your travel (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You.

We can only consider claims by You arising from the health or death of a Relative or Your business partner who is not travelling with You if at the Relevant Time that person:

- had not been hospitalised in the previous 2 years for a condition that was directly or indirectly arising from or related to the condition that caused the claim;
- did not reside in a nursing home or require similar home care assistance;
- was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
- did not have a drug or alcohol addiction; and
- did not have a Terminal Illness.

A claim caused by the health of someone who is not a Relative or Your business partner or anyone living outside New Zealand is not covered by the policy.

## Pregnancy

### Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“Relevant Time” in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote.

If You have any questions about the online assessment or prefer to talk with a customer service agent, please call Cover-More on 0800 600 725 for assistance.

### Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 24th week of pregnancy i.e. up to 23 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

### What does this mean?

## Important Information

### Who is the insurer?

The insurer of this product is Zurich Australian Insurance Limited (ACN 000 296 640, an overseas registered company incorporated in Australia) (ZAIL), trading as Zurich New Zealand.

References to “Us”, “We” and “Our” in this Policy Wording refer to Zurich New Zealand.

ZAIL is part of the Zurich Insurance Group, a leading multi-line insurer that serves its customers in global and local markets. Zurich provides a wide range of general insurance and life insurance products and services in more than 210 countries and territories. Zurich’s customers include individuals, small businesses, and mid-sized and large companies, including multinational corporations.

As at the date of issue of this document, ZAIL has an insurer financial strength rating of A+ from Standard & Poor’s (Australia) Pty Ltd. This rating shows that the company has strong financial security characteristics. This is reviewed annually and may change from time to time, so please refer to [www.zurich.co.nz/content/zurich\\_nz/about\\_us/financial-strength](http://www.zurich.co.nz/content/zurich_nz/about_us/financial-strength) to ensure it has not changed.

Standard & Poor’s rating scale for an insurer’s financial strength, together with a summary of Standard & Poor’s description is: AAA (Extremely Strong), AA (Very Strong), A (Strong), BBB (Good), BB (Marginal), B (Weak), CCC (Very Weak), CC (Extremely Weak), R (Regulatory Supervision), NR (Not Rated). Ratings from ‘AA’ to ‘CCC’ may be modified by the addition of a plus (+) or minus (-) sign to show relative standing within the major rating categories. Further information on these ratings is available from [www.standardandpoors.com](http://www.standardandpoors.com).

An overseas policyholder preference applies. Under Australian law, if ZAIL is wound up, its assets in Australia must be applied to its Australian liabilities before they can be applied to overseas liabilities. To this extent, New Zealand policyholders may not be able to rely on ZAIL’s Australian assets to satisfy New Zealand liabilities.

## Policy Conditions

### 1. Excess

The excess is the first amount of a claim which We will not pay for. It is Your contribution to Your claim if it is approved by Us. The excess applies per event i.e. If You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1, 2, 3, 5, 6, 10, 11, 12, 19 and Additional Cruise Benefits (i)-(iii) of the policy only. The excess is the amount shown on Your Certificate of Insurance.

In some circumstances, We may impose an extra or increased excess for claims arising from Existing Medical Conditions. We will inform You in writing if this applies: These will be set out in Your Certificate of Insurance or in a letter from Our medical assessment team.

**Claim example:** You have a \$250 excess on Your policy. If You made a claim for \$2,500 under Section 1: Overseas Medical and Dental, You already paid the expenses and We approve Your claim, We would deduct the \$250 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We will ask You to pay the \$250 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,250.
