Cruise Cover Add-on

Mandatory if You are travelling on a multi-night cruise*

For the purposes of this insurance, a multi-night cruise is a trip involving an ocean, river or sea voyage of more than two nights in total duration, where transportation and accommodation is primarily on an ocean, river or sea going passenger ship. Multi-night cruises include voyages:

- that don't stop at any port along the way e.g. a cruise out to sea for three nights and back;
- on a vessel to various ports e.g. sailing in Croatia, a river cruise in Europe; and
- those on a cruise ship around the same country e.g. Australia: Sydney-Hobart (select "Domestic Cruise" as the destination) or USA: Hawaiian Island cruises.

For any of these, an International plan with Cruise Cover Add-on is required.

*For a multi-night cruise within Australia, in the Kimberley region or on the Murray River for example, a Comprehensive Domestic plan may be purchased and no Cruise Cover Add-on is required.

Available on the International Comprehensive Plan and International Medical Only Plan

Unless You purchase Cruise Cover Add-on, claims directly or indirectly for or related to Your multi-night cruise, and multi-night cruise travel or that arise whilst on a multi-night cruise are specifically excluded by this policy.

To obtain cover under this policy for Your multi-night cruise and multi-night cruise travel, You must select (or confirm it if it has been pre-selected for You based on the destination You entered) the Cruise Cover from the Additional Cover options. You must pay the additional premium payable and Cruise Cover will be shown on Your Certificate of Insurance.

For all multi-night cruise travel: Sections 1-17 (International Comprehensive Plan) or 1, 3 and 17 (International Medical Only Plan) of the Benefits on pages 20-29 only apply if Cruise Cover is selected and additional premium is paid.

See pages Additional Cruise Benefits on pages 29-30 for details of the cover. Cover is subject to the terms and conditions stated in this document.

Quick Tip

For trips that include a multi-night Domestic Cruise, select an International Comprehensive Plan or International Medical Only Plan for cover and the Cruise Cover Add-on is required.

Policy Options

Single Trip or Annual Multi-Trip

You can choose a policy to cover one Single Trip or, if You are a frequent traveller, rather than buying a Single Trip policy each time You travel, You may want to buy an Annual Multi-Trip policy.

With Our Annual Multi-Trip policy You can select from the available choices, a Journey duration to suit Your needs and be covered for an unlimited number of Journeys more than 250 km from Home during the Period Of Insurance up to the maximum Journey duration chosen.

Areas of travel

Where You travel will influence Your premium.

Single Trip: You will need to choose the main destination based on where You will spend the most time on Your Journey.

Annual Multi-Trip: You will need to choose the area which will cover all of Your trips for the year. If You select an international area, this also includes cover for travel more than 250 km from Home.

Note:

- If 20% or more of any Journey will be spent in the Americas or Africa You must nominate the area including these countries as the main destination.
- If You are getting a quote and buying Your policy on our website and You enter a cruise destination as the country or area You will spend most of Your time, Cruise Cover Add-on will be pre-selected as additional cover. You can remove this if Your Journey does not include a multi-night cruise. See Cruise Cover Add-on on page 4 for more information.

Choose Your excess

When travelling internationally You can choose the excess. The higher the excess chosen, the lower the premium. The excess will be shown on Your Certificate of Insurance and only applies in the event of a claim. Other excess amounts may be available.

Note: Currently Domestic Plans have a \$50 excess. Other excess amounts may be available.

Increase Your Rental Car insurance excess cover*

If You are hiring a car whilst away and You have an accident, Our Domestic and International Comprehensive Plans automatically cover a Rental Car insurance excess of up to \$3,000. If this is not enough cover, You can increase this amount by up to \$3,500 by paying an additional premium.

*There is no Rental Car insurance excess cover on the International Medical Only Plan.

Cancellation cover

International Comprehensive Plan

We include a \$3,000 benefit per policy and if You need more, You can select the amount of cancellation cover that suits You. Choose an amount from the options available at the time of applying for cover.

The level of cancellation cover You choose above the included amount will influence Your premium.

Typically people look to choose an amount that will cover all prepaid travel tickets, hotels, tours or other travel related expenses for all travellers on the policy.

The level of cover You choose will be the total amount of cover available under Section 2, on a per policy basis and will be shown on Your Certificate of Insurance.

When You book a trip, You expect to be going on it.

Travel insurance is designed to protect You from the unforeseen and the unexpected.

Sometimes things happen before You even depart—unavoidable things that mean You need to amend or even cancel Your trip.

And because We believe that travel insurance policies should be clear and readily understood, here are some general points on how to make sure You can provide Us with the documents We require if You need to cancel Your trip and make a claim for cancellation or early return costs.

For all health related claims, We will always need the patient’s usual GP to complete Our claim form medical certificate and certify unfitness to travel or the need to look after someone.

For a new mental health condition, in addition to the above, referral to and a diagnosis made by a Registered Psychologist or Psychiatrist is required. We’re not saying the GP can’t be the first port-of-call but We need specialist certification of unfitness to travel or the need to look after someone. It’s the same type of thing as having a heart condition where the GP would refer to a heart specialist.

Luggage

Your belongings

When You’re at Home, You look after Your belongings. When You travel it should be no different. Unfortunately, many claims We see for loss or theft are caused by people being careless with their belongings. If You do not take good care of Your belongings We may not be able to pay Your claim. Not all belongings are covered by the policy.

What does this mean?

- Keep Valuables with You (where security regulations allow You to do so) rather than checking them in with the Transport Provider.
- Do not leave Valuables in a motor vehicle at any time.

“**Valuables**” means articles made of or containing gold, silver or precious metals; binoculars; jewellery; mobile phones; photographic, audio, video, tablet computer, computer and electrical equipment of any kind (including but not limited to devices such as drones, computer games, portable navigation equipment or media); precious stones; smart phones; telescopes and watches.

- A maximum limit of \$2,000 applies to all other items (i.e. not Valuables) left in a locked motor vehicle as long as they are in a Concealed Storage Compartment. Also, don’t leave items in a motor vehicle overnight as they are not covered.
- Report any loss or theft to the police within 24 hours as an original police report is required for any claim involving loss or theft.
- Additionally, We require the relevant report from the related party. For example, an Airline Property Irregularity Report (PIR) is also required if Your items were lost or stolen when travelling with an airline.

Luggage item limits automatically included in Your cover

Depending on the plan You choose, We provide cover for any one item, set or pair of items (including attached and unattached accessories), up to the following limits, after taking into account reasonable depreciation. See pages 24-25 for depreciation rates and an example of how a claim is worked out.

Plan	Cameras & video cameras	Laptop & tablet computers	Other items (Including mobile & smart phones)
International Comprehensive	\$3,500	\$3,000	\$500
International Medical Only	No cover	No cover	No cover
Domestic	\$300	\$300	\$300

You may be able to increase the item limit by paying an additional premium. Please ask for a quote. Receipts or valuations (less than 12 months old) must be available if requested by Us.

Premium luggage cover – New for old

Included on the International Comprehensive Plan and Domestic Plan

Where You have purchased Your luggage items new within the last two years (from the date of loss) and You provide a receipt, We will not deduct depreciation from those items.

Activities included in Your cover

We know that not all travellers enjoy the same activities whilst travelling so We have a comprehensive list of activities which are covered while You are on Your Journey.

Our Plans automatically cover:

- abseiling
- archery
- ballooning
- bungee jumping
- flying fox
- horse riding
- jet boating
- jet skiing
- kayaking
- paragliding
- parasailing
- snorkelling
- surfing
- trekking
- white water rafting
- working holidays

Your participation in any of the activities listed is subject to the terms of cover and in particular General Exclusions 24-27 on page 32 and Section 17 Personal Liability exclusions 3 and 4 on page 29.

Motorcycle/Moped riding

Claims involving participation by You (during the Journey) in motorcycling or moped riding for any purpose are specifically excluded from this policy.

If You wish to be covered for this activity during Your Journey and be able to hire a motorcycle (including a moped) as the driver or a pillion passenger, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- while in control of a motorcycle or moped You hold a valid Australian motorcycle rider's licence or Australian motor vehicle driver's licence, and You hold a licence valid in the relevant country;
- whilst You are a pillion passenger the driver must hold a licence valid in the relevant country;
- the engine capacity is 200cc or less;
- You are wearing a helmet;
- You are not participating in a Professional capacity;
- You are not racing; and
- You are not participating in motocross.

Note: No cover will apply under Section 17 Personal Liability. This means You are responsible to pay costs associated with damage to the motorcycle, moped or property or injury to another person.

Snow Skiing, Snowboarding and Snowmobiling

Claims involving participation by You (during the Journey) in snow skiing, snowboarding or snowmobiling are specifically excluded from this policy. If You wish to be covered for these activities during Your Journey, You must pay an extra premium. Please ask for a quote.

Even if You pay the extra premium, You will only be covered if:

- You are skiing or snowboarding On-Piste;
- You are not racing; and
- You are not participating in a Professional capacity.

Extending Your Journey

If You are travelling and wish to be insured for longer than the original period shown on Your original Certificate of Insurance, You need to purchase a new policy by calling 1300 617 409 (within Australia) or +61 2 8907 5076 (from overseas) or emailing ahm@travelinsurancepartners.com.au prior to the expiry date. It is not an extension of the previous policy. Your Certificate of Insurance will be adjusted with the new dates.

Please note:

- Should a medical condition present itself before the new policy is issued, it may be considered an Existing Medical Condition under a new policy. Therefore, it may not be covered by the new policy. Purchasing a longer duration up front may avoid this risk.
- Restrictions on the duration of the new policy may apply. For example, the maximum overall period for Worldwide cover is 12 months in total.
- If You can't return Home on Your original date due to an unforeseeable circumstance outside Your control, the policy will automatically extend until You are physically able to travel Home by the quickest and most direct route. See policy condition 10. Free extension of insurance on page 19 for details.

Money back guarantee

You can cancel or change Your policy at any time before You leave Home.

If, however, You cancel this policy for any reason within the cooling off period which is within 15 working days of the date of purchase, We will give You Your money back. Our money back guarantee ensures a refund of the entire premium unless You have already:

- made a claim under the policy; or
- departed on Your Journey.

If You wish to cancel Your policy and receive a full refund, please contact the providing entity within the cooling off period.

Travel and Health

Do You have an Existing Medical Condition?

Claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy unless Your Existing Medical Condition is approved by Us.

What does this mean?

If You have an Existing Medical Condition and for example take medication to keep that condition in check, it doesn't mean You can't purchase travel insurance.

It does however, mean that You should tell Us about all Your Existing Medical Conditions including anything for which medication is prescribed so We can complete an online health assessment and, if We approve, offer You cover.

If You choose to declare some conditions and not others or choose not to declare any conditions, You run the risk of a claim being denied. See Existing Medical Conditions for more information.

Assessing Your health

So We can assess the risk, We may also require You to answer some questions about Your general health as well as completing an online health assessment at the time of applying for this travel insurance.

Existing Medical Conditions

(Of You or Your travelling companion)

Cover for claims directly or indirectly arising from or exacerbated by an Existing Medical Condition or related new infections are specifically excluded from this policy. However, We may separately provide cover for an Existing Medical Condition. If additional cover is applied for and approved, an additional premium may apply.

What is an Existing Medical Condition?

"Existing Medical Condition" means a disease, illness, medical or dental condition or physical defect that at the Relevant Time meets any one of the following:

- a) has required an emergency department visit, hospitalisation or day surgery procedure within the last two years;
- b) requires
 - (i) prescription medication from a qualified medical practitioner or dentist;
 - (ii) regular review or check-ups;
 - (iii) ongoing medication for treatment or risk factor control;
 - (iv) consultation with a specialist;

- c) has
 - (i) been medically documented involving the brain, circulatory system, heart, kidneys, liver, respiratory system or cancer;
 - (ii) required surgery involving the abdomen, back, joints or spine;
 - (iii) shown symptoms or signs however, a medical opinion or investigation has not been sought to confirm or provide a diagnosis; or
- d) is
 - (i) chronic or ongoing (whether chronic or otherwise) and medically documented;
 - (ii) under investigation;
 - (iii) pending diagnosis; or
 - (iv) pending test results.

"Relevant Time" in respect of:

- a) Single Trip policies means the time of issue of the policy.
- b) Annual Multi-Trip policies means the first time at which any part of the relevant trip is paid for or the time at which the policy is issued, whichever occurs last.

If You are unsure whether You have an Existing Medical Condition, please call 1300 617 409 for help.

Getting cover for Existing Medical Conditions

There are three categories of Existing Medical Conditions:

- Conditions We automatically cover
- Conditions which cannot be covered
- Conditions We need to assess.

Please review each of the categories to determine which category applies.

Quick Tip

Providing as much detail as possible when completing details of Your claim will help Us in the assessment process and can often speed up the outcome.

Existing Medical Conditions We need to assess

If Your condition:

- does not meet the criteria above;
- You have one or more conditions which are not listed in the table of conditions we automatically include; or
- a combination of both the above points

You will need to complete an online health assessment by declaring all Your Existing Medical Conditions to Us.

To be clear, the conditions We automatically include only apply if You do not have other Existing Medical Conditions beyond those on this list.

Conditions to pay particular attention to

Chronic lung conditions

If You have a chronic lung condition*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition;
- a respiratory infection e.g. Influenza; or
- a lung infection e.g. Pneumonia.

*Chronic lung condition includes Chronic Asthma, Chronic Bronchitis, Chronic Obstructive Pulmonary Disease (COPD), Emphysema or Pulmonary Fibrosis.

What does this mean?

For example, if You have COPD and are diagnosed with a respiratory infection, Your claim will not be covered because We consider the respiratory infection to complicate and be a complication of the underlying Existing Medical Condition, COPD.

Cardiovascular Disease

If You have a condition involving Your heart and blood vessels, collectively known as Cardiovascular Disease*, unless You complete a health assessment for that condition at the Relevant Time which is then approved by Us and You pay the required extra premium, You won't be covered for claims directly or indirectly arising from or exacerbated by:

- that condition; or
- another heart/cardiovascular system problem including a Heart Attack or Stroke.

*Cardiovascular Disease includes Aneurysms, Angina, Cardiac Arrhythmias (disturbances in heart rhythm) Cardiomyopathy, Cerebrovascular Accident (CVA or Stroke), previous heart surgery (including valve replacements, bypass surgery or stents), Myocardial Infarction (Heart Attack) or Transient Ischaemic Attack (TIA).

What does this mean?

For example, if You have ever been diagnosed with Coronary Artery Disease, also known as Ischaemic Heart Disease (IHD), it is considered a life-long condition. The risk of disease is elevated whether or not You have been treated with bypass surgery or coronary artery stent insertion. If You haven't told Us about Your condition, We haven't approved it and You haven't paid the additional premium, We won't be able to consider Your claim if something goes wrong before or during Your Journey with respect to these conditions.

Reduced immunity

If You have reduced immunity at the Relevant Time (e.g. as the result of a medical condition or medical treatment), unless You complete a health assessment which is then approved by Us and You pay the required extra premium, We won't be able to approve claims directly or indirectly arising from or exacerbated by the underlying medical condition or a new infection.

What does this mean?

For example, if You currently suffer from a condition that is associated with significant immunosuppression or You require medication that significantly impairs immune function (e.g. Methotrexate, Azathioprine or high dose steroids), You should tell Us about Your condition, otherwise We won't be able to cover Your claim if You develop an opportunistic infection with respect to these conditions.

Other Existing Medical Conditions which cannot be covered

Under no circumstances is cover available on this policy for claims directly or indirectly arising from or exacerbated by:

- Your Terminal Illness;
- conditions involving drug or alcohol dependency;
- travel booked or undertaken against the advice of any medical practitioner;
- routine or cosmetic medical or dental treatment, even if Your Existing Medical Condition has been approved; or
- conditions for which You are travelling to seek advice, treatment or review or to participate in a clinical trial.

What happens if I have an Existing Medical Condition but do not take steps to cover it under my travel insurance policy?

We will not pay any claims directly or indirectly arising from, or exacerbated by, Your Existing Medical Condition if:

- You do not apply for this cover for Your Existing Medical Conditions at the Relevant Time or, at the latest, before You depart on Your Journey;
- You apply for this cover for Your Existing Medical Conditions and We do not agree to provide cover; or
- We agree to provide cover for Your Existing Medical Condition and You do not pay the required extra premium.

This means, for example, that You will have to pay for an overseas medical emergency which can be very expensive in some countries.

If You have any questions about Existing Medical Conditions, please call 1300 617 409 for help.

Completing a health assessment

You can complete an online health assessment with Your ahm consultant or by using a web link Your consultant can give You. You may also contact us for help.

- You'll need to have sufficient knowledge about each Existing Medical Condition to be able to complete a full declaration so We can assess the risk.

For example, We need to know the name of the medical condition You take medication for, rather than the name of the medication. Check with Your doctor first if unsure.

- Check all Existing Medical Conditions have been disclosed to Us.
- We will provide Your assessment outcome and a number.
- If We can approve Your health assessment, You must pay the required extra premium to add cover for Your Existing Medical Conditions to the policy.
- An approval number for this cover will then be listed on the Certificate of Insurance We give You.

Special conditions, limits and excesses may apply depending on Your Existing Medical Condition, age, trip destination and duration. This will be stated on Your Certificate of Insurance or separately advised to You in writing.

Health of other people impacting Your travel (non-traveller)

When booking a trip and buying travel insurance please carefully consider the health of loved ones not travelling with You.

We will only consider claims arising from the death or sudden disabling injury, sickness or disease of a Relative or Your business partner who is not travelling, if:

- that person lives in Australia;
- it was medically necessary for You to amend or cancel Your Journey to assist that person; and
- at the Relevant Time that person:
 - in the last two years, had not been hospitalised (including day surgery or emergency department attendance) for a condition that was directly or indirectly caused by, arising from, or exacerbated by, the condition that gave rise to the claim;
 - was not residing in a facility such as a nursing home, an aged care facility, a residential aged care home, a high and/or low care facility, a privately owned accommodation facility such as Supported Residential Services or Facilities (SRS/SRF) or, a residential care facility as defined under the Aged Care Act 1997 (Cth) (or any subsequent amendment, or amendment legislation, to it);
 - was residing independently at home or in a retirement home or village, including independent living arrangements, and they did not require home care or flexible care services as defined under the Aged Care Act 1997 (Cth) (or any subsequent amendment, or amendment legislation, to it);
 - was not on a waiting list for, or did not know they needed surgery, inpatient treatment or tests at a hospital or clinic;
 - did not have a drug or alcohol addiction; and
 - did not have a Terminal Illness.

A claim caused by the health of someone who is not a Relative or Your business partner or anyone living outside Australia is not covered by the policy.

Please refer to SECTION 2: Cancellation and Amendment Fees, SECTION 3: Additional Expenses and SECTION 12: Resumption of Journey for details on this cover.

Pregnancy

Are You pregnant?

If You know You are pregnant at the Relevant Time, You will need to apply for cover if:

- there have been complications with this pregnancy or a previous pregnancy;
- You have a multiple pregnancy e.g. twins or triplets; or
- the conception was medically assisted e.g. using assisted fertility treatment including hormone therapies or IVF.

“**Relevant Time**” in respect of:

- a) Single Trip policies means the time when the policy is issued.
- b) Annual Multi-Trip policies, means the first time when a part of the relevant trip is paid for or the time when the policy is issued, whichever occurs last.

Please complete additional questions in an online medical assessment in order to determine eligibility and obtain a quote. If You have any questions about the online assessment or prefer to talk with a customer service agent, please contact us.

Pregnancy restrictions

Whether or not You have to apply for pregnancy cover, the following restrictions apply to claims arising in any way from the pregnancy of any person.

- Cover is only provided for serious, unexpected pregnancy complications that occur up until the 26th week of pregnancy i.e. up to 25 weeks, 6 days. Gestational age is measured in weeks and days and is calculated from the last known date of Your menstrual period or calculated from staging ultrasound.
- Childbirth is not covered.
- Costs relating to the health or care of a newborn child are not covered, irrespective of the stage of pregnancy when the child is born.

What does this mean?

Expectant mothers should consider if Our products are right for them when travelling after 20 weeks gestation as costs for childbirth and neonatal care overseas can be expensive.

The capacity in which they act is displayed in the Financial Services Guide on page 33.

When and how are benefits provided?

The benefits for which You are insured under this policy are payable:

- when an insured event occurs during the Period Of Insurance causing You to suffer loss or damage or incur legal liability; and
- Your claim is accepted by Us.

After calculating the amount payable We will either:

- pay for specified Additional expenses;
- pay the person or provider to whom You are legally liable;
- pay the cash value, repair cost or arrange replacement of Your personal items (after deducting reasonable depreciation where applicable); or
- pay You.

- limits on the cover provided and the amounts We will pay You (including any excess that applies);

Your duty of disclosure

Before You enter into this contract of insurance, You have a duty of disclosure under the Insurance Contracts Act 1984 (Cth). The duty applies until (as applicable) We first enter into the policy with You, or We agree to a variation, extension or reinstatement with You.

Answering Our questions

In all cases, if We ask You questions that are relevant to Our decision to insure You and on what terms, You must tell Us anything that You know and that a reasonable person in the circumstances would include in answering the questions.

It is important that You understand You are answering Our questions in this way for Yourself and anyone else that You want to be covered by the contract.

Variations, extensions and reinstatements

For variations, extensions and reinstatements You have a broader duty to tell Us anything that You know, or could reasonably be expected to know, may affect Our decision to insure You and on what terms.

If You do not tell Us something

If You do not tell Us anything You are required to tell Us, We may cancel Your contract or reduce the amount We will pay You if You make a claim, or both.

If Your failure to tell Us is fraudulent, We may refuse to pay a claim and treat the contract as if it never existed.

General Insurance Code of Practice

We are signatories to the General Insurance Code of Practice (Code), which was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry.

To obtain more information on the Code and the rights You may have under it please contact us or visit codeofpractice.com.au.

The amount You pay for this insurance

The amount We charge You for this insurance policy is the total amount of the premium that We calculate to cover the risk and any relevant government charges (such as Goods and Services Tax (GST) and stamp duty). These amounts add up to the total amount You must pay.

Once the policy is issued Your total premium and any relevant government charges are shown on the Certificate of Insurance. If You wish to change Your policy in any way please contact us.

How various factors affect the Amount Payable

We consider a number of factors in calculating the total Amount Payable. The following is a guide on these key factors, how they combine and how they may impact the assessment of risk and therefore Your premium.

- **Area** – higher risk areas cost more.
- **Departure date and trip duration** – the longer the period until You depart and the longer Your trip duration, the higher the cost may be.
- **Age** – higher risk age groups cost more.
- **Plan** – an International Plan, which provides more cover, costs more than an International Medical Only Plan or Domestic Plan.
- **Excess** – the higher the excess the lower the cost.
- **Cruise Cover** – additional premium applies.
- **Cancellation cover** – on some policies You can choose Your own level of cancellation cover. The more cancellation cover You require, the higher the cost may be.
- **Adding cover for Existing Medical Conditions and pregnancy** (where available) – additional premium may apply if a medical assessment is completed and cover is accepted by Us.
- **Extra cover options** (where available) – additional premium may apply.

Cancelling Your policy

If You cancel Your policy within a cooling-off period of 15 working days after You are issued Your Certificate of Insurance, You will be given a full refund of the premium You paid, provided You have not started Your Journey or You do not want to make a claim or exercise any other right under Your cover.

After this period You can still cancel Your policy. You may be entitled to a partial refund of the premium for the unexpired period of cover (less any non-refundable government charges and taxes that We have paid and are not recoverable).

You are not entitled to a refund if You have started Your Journey, You want to make a claim, or exercise any other right under Your cover.

To cancel Your cover please call 1300 617 409 or email ahm@travelinsurancepartners.com.au.

How a claim settlement is calculated

When We pay a claim We consider a number of aspects in calculating the settlement. These include:

- the amount of loss or damage or liability;
- the excess;
- maximum benefit limits and sub-limits;
- reasonable depreciation; and
- the terms and conditions of the policy.

The following example illustrates how We will calculate claim settlement:

- Your new video camera with an original purchase price of \$4,000 is stolen from a hotel room.
- You are travelling on the International Comprehensive Plan.
- You have chosen the nil excess option.
- You have not paid an additional amount to increase the standard item limit.

The claim settlement would be calculated as follows:

- Consider the original purchase price of the video camera – \$4,000 (no depreciation applies because the video camera was new).
- Consider the maximum benefit limit for Luggage and Personal Effects – \$6,000.
- Consider the maximum item limit payable for cameras and video equipment – \$3,500. This item limit does apply in this case.
- Consider the excess. As You have chosen the nil excess option, no excess is deducted. This results in a claim settlement of \$3,500 or We may choose to replace the item through a supplier of Our choice.

Policy Conditions

1. Excess

The excess is the first amount of a claim which We will not pay for. It is Your contribution to Your claim if it is approved by Us. The excess applies per event i.e. If You fall over and need medical treatment, and smashed Your smart phone in the fall, the excess will be deducted once.

The excess, if applicable, applies to any claim arising from a separate event in respect of Sections 1, 2, 3, 5, 6, 7, 11 and 12 of the policy only. The excess is the amount shown on Your Certificate of Insurance.

In some circumstances, We may impose an extra or increased excess for claims arising from Existing Medical Conditions. We will inform You in writing if this applies: These will be set out in Your Certificate of Insurance or in a letter from Our medical assessment team.

Claim example: You have a \$250 excess on Your policy. If You made a claim for \$2,500 under Section 1: Overseas Medical and Dental, You already paid the expenses and We approve Your claim, We would deduct the \$250 excess from the claim before We paid You. If, via Our emergency assistance team, We approved a claim directly with an overseas medical provider, We will ask You to pay the \$250 excess directly to the provider at the time or request You to pay it to Us before We can finalise Your claim with the provider. In any event, the total claim We pay is \$2,250.

2. Sections of the policy applicable to each Plan

Refer to the Benefits table on page 3.

3. Limits of liability

The limits of Our liability for each Section of the policy are the amounts shown in the relevant table for the Plan selected (see page 3) except:

- e) where You have paid the additional premium to include Cruise Cover on the International Comprehensive Plan or International Medical Only Plan, the standard benefits 1-17 (International Comprehensive Plan) or 1, 3 and 17 (International Medical Only Plan) apply as per the plan purchased and the Cruise Cover additional benefits and limits apply (see pages 29-30); or
- f) where We have notified You in writing of different limits such as on Your Certificate of Insurance.

4. Claims

- a) The loss or theft of luggage, personal effects, travel documents or money must be reported within 24 hours to the police and (where applicable) the responsible Transport Provider and a written report must be obtained at that time.

- h) If You make or try to make a false, exaggerated or fraudulent claim or use any false, exaggerated or fraudulent means in trying to make a claim, We will not pay Your claim, Your cover under this policy will be voided (without any return of the amount You have paid), We may report You to the appropriate authorities and You may be prosecuted.
- i) Where You are a registered entity on the Domestic Plan You may be entitled to an input tax credit for Your Amount Payable and/or for things covered by this policy. You must disclose these entitlements to Us if You make a claim under Your policy.
- j) If We agree to pay a claim under Your policy We will base any claim payment on the GST inclusive costs (up to the relevant limits of liability). However, We will reduce any claim payment by any input tax credit You are, or would be, entitled to for the repair or replacement of insured property or for other things covered by this policy.
- k) We will be entitled, at Our expense, to have You medically examined or, in the event of death, a post-mortem examination carried out. We will give You or Your legal representative reasonable notice of the medical examination.

5. If You are able to claim from a statutory fund, compensation scheme or Transport Provider

If You are able to claim from a statutory fund, compensation scheme (for example a private health fund or workers compensation scheme) or Transport Provider for monies otherwise payable under this policy You must do so and the policy will only cover the remaining amount.

Responsibility for any loss, medical complication or death resulting from any factor reasonably beyond Our control cannot be accepted by ahm, Our emergency assistance, Travel Insurance Partners or Us.

10. Free extension of insurance

Where Your Journey is necessarily extended due to an unforeseeable circumstance outside Your control, Your Period Of Insurance will be extended until You are physically able to travel Home by the quickest and most direct route. The Period Of Insurance will not be extended for any other reason.

11. Special conditions, limitations, excesses and Amounts Payable

If You:

- a) want cover for an Existing Medical Condition or pregnancy which does not satisfy the provisions set out on pages 7-11, You will need to complete a health assessment. We will notify You of the outcome.

If We are able to approve cover for the condition(s) or pregnancy You must pay an extra premium to Us. Cover may be subject to special conditions, limitations, limits, and excesses.

- b) in the last 5 years have:
 - (i) made 3 or more travel insurance claims;
 - (ii) had insurance declined or cancelled or had a renewal refused or claim rejected; or
 - (iii) been in prison or had any criminal conviction (other than driving offences)

cover must be separately applied for and accepted by Us, and it may be subject to special conditions, limitations, excesses and amounts payable.

We will notify You in writing of these before We issue the policy.

12. Automatic reinstatement of sums insured

If You purchase the Annual Multi-Trip Policy the limits of liability under each Section of the policy are automatically reinstated on completion of each Journey and in respect of SECTION 5: Luggage and Personal Effects, also once on each Journey.

13. Policy Conditions applying to Sections 1 and 3 Only
